NUMBER TWENTY-THREE

BANK OF SAINT CLOUD ELECTS OFFICERS AND PAYS TWENTY-FIVE PER CENT DIVIDEND

J. K. CONN

The annual meeting of the stockholders in the Bank of Saint Cloud was held on Tuesday, January 26, when new directors were chosen for the year, and cash a dividend of 25 per cent, amounting with \$5,000 car-

ried over to the surplus fund and \$1,200 to individual profits.

This dividend announcement indicates that the Bank of Saint Cloud has enjoyed the most prosperous years business in the history of that institution, which is pleasing not alone to the stockholders and officers of the bank but to their many hundreds of depositors.

The stockholders elected the following directors for the new year: G. A. Busch, J. K. Conn, D. F. Elmstein, H. J. Rhame and Wm. H. Tunncliffe.

After the stockholders meeting the directors met and selected the following officers from their number to handle the business of the bank for the year 1926: J. K. Conn, president; Wm. H. Tunncliffe, vice-president; D. J. Rhame, cashier; Wm. Sealridge, assistant cashier; Miss Nina Lee Landis, bookkeeper.

The annual statement of the Bank of St. Cloud, published in our issue of January 7th, showed footings of nearly one million dollars, which is indeed a high barometer of the business conditions as they exist today in St. Cloud.

J. K. Conn, who was chosen for president again this year, has been head of the Bank of Saint Cloud since its organization in 1915. He also owns considerable valuable real estate in the city and the Court Department stores.

ST. CLOUD CHAMBER OF COMMERCE HAS RECORD ATTENDANCE WEDNESDAY

There was another banner crowd at the chamber of commerce luncheon and business meeting. Rev. L. L. Lockard was asked to say grace.

President Landis announced that the bananas, lunches of which were in abundance on each table, which were as fine as could be obtained in any climate, were grown just east of the city on Hannynde Lake, and were compliments of Dwight L. Smith. This was a gift which was appreciated by all those present.

The following guests were introduced, Mr. and Mrs. H. L. Gurnea, of Randolph, Ohio, and Mrs. Hunt, of Buffalo, N. Y., by A. W. Lathrop, Dr. Cushman-Griewank introduced Miss Cary Wood, a former resident of St. Cloud, Mrs. L. B. Hawk, of Kokomo, Ind., was introduced by Mrs. Maybon; Mr. and Mrs. Geo. Knochen, of Serman, Mo., by A. W. Porter, Dr. A. W. Hall presented his aunt and daughter, Mrs. Highy and Mrs. Highy-Doe, of Mt. Vernon, Iowa; Rev. and Mrs. L. L. Lockard, of Anamosa, Ia., and his life partner, Mrs. Hall. The county agent Mr. June Gunn introduced Mr. Stroup and Mrs. Tillman, of Hancock, Mo., was introduced by Mrs. L. M. Parker.

President Landis announced that Mr. Pearson, who recently came to St. Cloud to relieve caught the spirit of wanting to do something for St. Cloud and is organizing a band to be composed of the boys and girls. This organization is to be known as the St. Cloud band, and will furnish music for the schools, churches etc. The parents of the children as well as are invited to meet and organize the band, as they will have charge of its affairs. All those wishing to take part in such an organization, which will be a splendid addition to our city, are requested to report to the

Mrs. Clara Berry, of Atlanta, Ga., well-known cooking experts who will demonstrate the Westinghouse Electric Range at Crawford Electric Shop on February 28th.

chamber of commerce.

County Agent Gunn came before the meeting with hope of creating interest in the farming sections of Osceola county, which is not what it can and should be. No really successful city can continue to develop and grow to what it should without a thriving back country. This we must not overlook, as many other states have, for in future years we need it. Of course the real estate activities which have taken in as subdivisions much of the territory adjoining the cities will only push development further into the rural districts. He stated that the farming has been somewhat neglected this year as two years ago, we had two hundred acres in strawberries and now we have only twenty. He further stated that other truck crops have suffered as well, and that garden crops are now in very great demand. His special appeal was that the chamber of commerce of both St. Cloud and Klamath get behind the Osceola County Farmers Association and make this organization feel the vital importance of making this work go over big in the coming year. He said that as is the slogan of the St. Cloud Chamber of Commerce "ten acres and independence" is more than it really says. He gave data to show that one acre from south end to this county with family and with two acres put in strawberries and other truck crops cleared him aside from his living \$2,000 in one year that the least to expect from a strawberry crop is \$400 per acre, and that strawberries is one crop that will stand more rough treatment and will come each year.

When asked by a man from Plant City "Is Osceola county not colder than Polk county?" Mr. Gunn referred him to the weather reports in his office for 27 years showing that there was during that time not over two degree difference in the two counties.

Mr. Stroup, after expressing pleasure of meeting with his neighbors and expressing his appreciation of the splendid lunch, made some well chosen remarks strengthening those of Mr. Gunn.

Pres. Landis realizing the importance of the matter appointed L. M. Parker and C. A. Bailey to ascertain what can be done.

Secretary Rolfe announced that Karl Lehmann, Secretary of the Osceola county chamber of commerce will be present and address the St. Cloud chamber of commerce on February 10th.

On February 24th Dr. Hamilton Hall, president of Rollins College and Dr. J. Blanton Bell, of Orlando will attend the meeting of the St. Cloud chamber of commerce.

COUNTY COMMISSIONERS DISCUSS THE PROPOSED NEW ROAD TO EAST COAST

The improvements on the St. Cloud-Melbourne highway must be included in the county-wide bond issue, according to advisor of Pat Johnston, attorney for the county commissioners, the opinion being rendered at a special meeting of the board last Saturday.

Meeting opened on the above date by H. L. D. Overstreet, with commissioners, H. P. Ruhl, E. T. Minor, H. O. Parlin, Clerk J. L. Overstreet and Pat Johnston, attorney for the board present.

A committee from the St. Cloud realtors board composed of Wm. Landis, H. L. Godwin, R. L. Steen and S. W. Porter relative to the Klamath St. Cloud-Melbourne highway. Mr. Landis acting as spokesman stated that he had recently motored over the road from St. Cloud to Melbourne and found the road in pretty bad shape, the worst of it being between the city limits on St. Cloud and Ashton, stating that should be repaired at once. He asked how the proposition of the new road is to be handled. Pat Johnston, attorney for the board, explained that the county is to furnish \$275,000, and the state road department will complete the road. He further stated that the old road will not be forced up as the new road will not follow that route altogether. The part of the old road not on the direct route will be used as detours as much as possible, and will be kept up by the state road department.

He stated that Dr. Hathaway, head of the state road department, intends to make the new road straighter and much shorter, cutting out almost all the present bad curves. The road will probably pass through St. Cloud by the present route.

During the general discussion of the road project it was brought to light that the \$275,000 for the Klamath-St. Cloud-Melbourne road would have to be voted on in connection with a county-wide bond issue for hard surface county roads, because of a decision of the Supreme court, doing away with vote for special roads by road districts so should this county wide issue fall the Klamath-St. Cloud-Melbourne road project can not be taken up separately. Attorney Johnston was instructed by the board to write the state engineers for estimate of the cost of the proposed new road to Melbourne. As soon as those estimate are received the road committee will set about preparing the issue and will set date for election.

Commissioner E. T. Minor stated that some of the bridges on the Peg Horn, Kentonville road had been broken by some large tractors passing over them, Jack Brunson was instructed to find out owner of tractor and report him to Attorney Johnston for the board.

W. M. Wampler, appeared before the board with a petition, signed by property owners, to allow them to build at their expense, on the lake front from Clyde avenue in Klamath, to Shingle creek, all that was asked of the county commissioners was that they have their engineer survey the route and to loan them the machinery for building a bridge across Shingle creek. On motion of E. T. Minor seconded by H. O. Parlin, engineer, Joe Johnston was instructed to make survey of road route.

Attorney Johnston called attention to the need of a road from Cape Creek to Lake Klamath across the prairie as when it rains present residents in that section have a hard time reaching their homes. He was instructed to see what help property owners would give and bring matter up at next regular meeting.

The matter of small pox danger was brought up and the clerk was instructed to notify the county physician, Dr. J. D. Chunn, to make search for any cases and quarantine. The board by an unanimous vote gave the other physicians, of the county, the right to quarantine during the present small pox danger.

Mr. Sabo, of Narcoossee, brought claim to 136 feet of property which he claimed was fenced in by a neighbor as a result of the Lake Hindon road not being on the section line. County Surveyor was instructed to survey the land claimed by Mr. Sabo and to report to the board at next meeting.

Plans were presented for the proposed changes in the present court house. The commissioners looked over the plans and stated that they

would be ready to open bids for the work at the next regular meeting.

Notary bonds were approved for Emily E. Lindsay, R. G. Smith and A. A. Brady.

Attorney Johnston suggested that H. E. and E. E. Brown convicted at the last session of court, be turned over to the road superintendent, Mr. Ashton. The board agreed that they should be.

As three new trucks are needed by the county, to replace the worn out county trucks. The board instructed the clerk to ask for bids on three trucks from Ford dealers of the county.

ST. CLOUD'S TWO BASKET BALL TEAMS WIN LAST FRIDAY

Friday night St. Cloud captured a double-head victory from Winter Garden and on Saturday night repeated the performance with Mt. Verde. Both games were played at St. Cloud.

On Friday night the girls pocketed the easiest victory of the season so far. They won this from the Winter Garden sextette by a score of 49 to 1. Although the boys did not pile up such a score, they had no trouble in adding the Winter Garden game to their victory list, by a score of 16 to 2.

The two games played on Saturday night were close and a lot more interesting to the spectators. Although the Mt. Verde girls had a fast team, the St. Cloud girls proved to have a better one, and carried the day for a 26 to 11 victory. The boys game was the fastest ever played on the St. Cloud court. It was clean and close from the start to finish and one team was never over two points ahead of the other. The score at the first quarter stood 6 to 0, and at the second quarter 9 to 6. At the end of the third quarter St. Cloud was two points in the lead. The score stood 22 to 16. At the end of the game St. Cloud was still in the lead, but the score was only 26 to 18. Neither the boys or girls team of St. Cloud have been defeated yet this season.

Don't forget the Sanford game in Sanford, Friday, and the Mt. Verde game in Mt. Verde on Tuesday. Both are double head games.

ST. CLOUD REALTORS BOARD BANQUET AND SMOKER

At the regular meeting of the realtors board on Friday there was not but business matters came before the board which has vital bearing on the immediate future of St. Cloud, which resulted in a committee being appointed, C. A. Bailey, H. A. Haymaker and G. C. Hunter which are to give a report at a banquet and smoker given by president R. L. Steen to the members of the realtors board at the East Lake Club House tomorrow (Friday night). Owing to this banquet there will not be a meeting at the hotel at noon tomorrow.

C. A. Bailey voiced the sentiment of the board that a passenger and pleasure boat on our lake Tolopekaliga was badly needed and properly conducted would be a big money maker. This matter will be discussed at the banquet also.

G. C. Hunter advanced the idea that the people of St. Cloud are not putting forth the proper effort to sell their own town and some splendid thoughts along this line, brought forth real earnestness on part of every member. This proposition will be given immediate action at the banquet.

PRESBYTERIAN CHURCH NEXT SABBATH

Services in the Presbyterian church on next Sunday will be conducted in the morning by Dr. A. W. Hall, and in the evening by Rev. Darbaker.

TOURIST CLUB MEETING FEBRUARY FIRST

The tourist club will hold its regular meeting in the Tourist Club building in the City Park on Monday, February 1st at 2:30 p. m. A musical program will be given together with other interesting features. A good program is promised. Every body welcome.

A. W. HALL, Pres.

PEOPLES BANK DEPOSITS INCREASE; B. L. STEEN BECOMES NEW PRESIDENT

The semi-annual statement of the Peoples Bank of St. Cloud issued and published in the January 7th issue of the Tribune shows an increase in deposits in that institution of 233 per cent over December 31, 1924 or in one year. The annual meeting of stockholders was held on January 12, at which time a dividend of ten per cent for the past period was announced and \$3,000 passed to the surplus fund. New directors were chosen, and the new board inter elected officers for the new year.

The directors selected by the stockholders were as follows: B. L. Steen, 42, M. Rickard, John E. R. Phillips, J. C. Gallatin and Fred B. Kenney. The organization meeting of the directors held on January 15, resulted in the following officers being chosen to handle the affairs of the bank for the coming year:

B. L. Steen, president; J. C. Gallatin, vice-president; J. E. R. Phillips, vice-president; Fred B. Kenney, cashier.

Mr. Steen has recently acquired a block of stock in the Peoples Bank and succeeds Levi Shumboo, who had been president for several years, but retired on account of other interests and advanced age.

Since Mr. Fred B. Kenney has been cashier of the Peoples Bank that institution has shown remarkable growth, the concern having erected a new two-story bank and office building at the corner of Tenth street and New York avenue during the past year, and made the remarkable showing of increased deposits.

B. L. STEEN

J. C. Gallatin became one of the largest stockholders in the bank during the past year and J. E. R. Phillips a new vice-president, only recently acquired some stock.

The Peoples Bank was organized in 1919 and conducts their business at Twelfth street and New York avenue until last year when their new quarters at Tenth street and New York avenue were completed.

ST. CLOUD'S FESTIVAL YACHT RACES TO START JANUARY 24TH AT EAST LAKE

The Committee in charge of the arrangements for the St. Cloud Festival have been very busy and report they will have the program complete in a very short time. The program promises to be one of great interest. Members of the committee express surprise at the material that will be in readiness for the different exhibits. While this year agricultural conditions are below normal, yet it is surprising to note the different products ready for display.

The musical feature of the program will be a great attraction. The St. Cloud Band will play daily and this organization need no introduction to our people. The St. Cloud Choral society is a permanent organization of singers from all churches and all walks of life. This organization has membership in both state and national organizations of music. It has furnished several programs for St. Cloud people and all who have heard it anxiously await an opportunity to again enjoy the music.

The choruses of childrens voices will be a great drawing feature. There is no music that pleases like that coming from a well-trained childrens chorus. Plans are under way by which the musical children from the colored school of Klamath will give a program. This is a large school and are well trained in music and we are sure their program will be kindly received and greatly appreciated.

There will also be solos, duets, quartettes and instrumental music of different kinds. We are all aware that many splendid musicians are either permanently or temporarily located in St. Cloud and we will be given an opportunity to hear the very best in their different lines.

The committee trusts that all having any articles they wish to exhibit see the committee in advance and arrange to have their display in the hands of the proper committee well in advance of the opening day. This will greatly aid in the arrangement and assure you of proper space for all exhibits.

Keep in mind the date and watch for window display and other advertisement. The date is February 23, 24, 25, 30.

See Mr. Hood or Mr. Gelger for any matter pertaining to agricultural exhibits. Mrs. Daxley, who has office at the Chamber of Commerce from 4 to 5 p. m. every day will be glad to arrange your concessions or give any information regarding the Festival.

Miss Ethyl Fellows is spending a few days in St. Petersburg.

Beginning Saturday, January 30th, the first of a series of four yacht races will take place on beautiful East Lake Tolopekaliga.

The series held in October of last year proved one of the most interesting events in St. Cloud during the entire year. At that time five 14 foot yachts were entered.

This present series is sponsored by the Chamber of Commerce, and a beautiful silver cup will be awarded to the winner.

To sail a small craft on beautiful East Lake Tolopekaliga is to task task, for it is not an unusual thing to see there and four foot waves on this large body of water, when the wind is high, and the sailor is "tossing in." It is a real sportsman's job to keep the mast out of the water. During this series St. Cloud has invited all the surrounding cities to send their boats over and enter these races.

WESTMINSTER AID OF PRESBYTERIAN CHURCH WILL HOLD MEETING

The regular meeting of the Westminster aid of the Presbyterian church will be held at the club house in the City Park Friday February 26th at 2 p. m. After a short business meeting a social hour will be enjoyed. All ladies are cordially invited to be present. Mrs. D. H. Rickard as hostess will be assisted by Mrs. C. E. Fowler, Mrs. A. W. Hall and Mrs. Mahol Egle.

ST. CLOUD REBEKAH'S INSTALL OFFICERS AT SANFORD

The Rebekah lodge of St. Cloud was called upon to install the officers of that order in Sanford on Tuesday night. The distance only kept the entire lodge from accepting this invitation. After the work was over a banquet was served. Those who were in attendance from here were: Mrs. Myrtle Peterson, Mrs. Fern Harding, Mr. and Mrs. J. D. Harris, Mrs. Dr. Doolis, Ethel Reed, Mrs. E. E. Williams and Mrs. W. S. Pelt.

J. C. Beach, who bought the Tomlinson grove, just east of the city, an engineer on the Northern Pacific railroad, shipped a car load of grapefruit to his home in Jamestown, N. D., Saturday.

SCHEDULE OF DAILY BAND CONCERTS

Monday Night, Broadcast WDBO; Tuesday Afternoon, Up Town Band Stand; Wednesday Afternoon, Up Town; Thursday Evening, Park Band Stand; Friday Afternoon, Up Town; Saturday Evening, Up Town; Sunday Afternoon, City Park.

Penetrates Through the Skin Clear to the Bone

Liniment Called Mexican Mustang Has Strange Power

A lame back, a strained muscle or aching joints will stop aching and become limber and natural if you will apply a little of that old-fashioned liniment known as Mexican Mustang. Druggists and other authorities agree that its great power to relieve pain is due to its magical penetrating action—it goes through the outer layers of the skin without burning or a trace of blister, right to the sore spot. It is not like the smothering, steamy liniments usually known as liniments. No matter if all other outside applications have failed, you will not be disappointed with Mexican Mustang Liniment—it also burns out, burns and aches and makes a valuable remedy to have in the home at all times. All druggists and chemists sell Mustang Liniment or can get it for you.

AN ELECTRIC RANGE DEMONSTRATION FEB. 8.

The Westinghouse Automatic electric range, the stove that starts and stops itself, will be demonstrated to the ladies of St. Cloud, beginning Monday, February 8 and lasting for two days, according to an announcement made by Crawford Electric Shop under whose auspices the demonstration will be held.

Mrs. Clara Berry of Atlanta, Ga., well-known cooking expert, will be in charge of the demonstration, and in addition to showing how this remarkable Westinghouse range operates, she will instruct the attendants in the art of preparing appetizing menus. Everybody is invited to see this Westinghouse automatic electric range work. It is known as the "Range with the Clock" and although a product of many years research work, and tireless experiments, it has been placed on the market in such a simplified form that even a child could cook a meal to an exact turn. It is worked by an alarm clock and a thermostat. The former starts it cooking and the latter shuts it off, all automatic, and requiring the attention or watchfulness of nobody.

The housewife having something to do in the afternoon, prepares her evening meal in the morning. The raw food is placed in the oven. Then the alarm clock is set for five o'clock in the afternoon, or whatever time the evening meal is usually started, and the housewife then forgets about it. Then when five o'clock rolls around, the alarm clock goes off, just like it does at six a. m. in the morning, but this time, instead of arousing the ire of the sleep-headed individual, it springs a switch, which turns on the current in the oven, and the cooking begins.

When the temperature inside the oven has reached the desired point to cook whatever food is inside, the thermostat undoes the work of the alarm clock and the juice stops.

But, the meal is cooked, and the oven retains sufficient heat, due to its scientific construction, to keep the food piping hot until it is time to serve it. A complete chart, showing the exact temperature that is required to cook any kind of food, accompanies each range, thereby leaving nothing to guess work.

This remarkable Westinghouse invention has relieved millions of wives all over the world from the drudgery of watching food cook. It enables them to cook their meals and play bridge or go shopping at the same time.

No charge will be made for the demonstration, or for Mrs. Berry's free cooking instruction. The general public is invited.

DELIVERED AT ST. CLOUD

These astonishing new figures represent more than a price reduction. They represent a price sensation!

At one stroke they eliminate the necessity for compromise in the purchase of a motor car.

They mean that henceforth *no one* need be forced by economy to invest in less than Dodge Brothers quality.

They mean that a car world-renowned for its long life and dependability is now well within reach of every income.

They are made possible by a \$10,000,000 expansion program, vastly increasing production, and introducing the latest and most advanced efficiency processes into motor car manufacture.

They apply to the finest line of motor cars Dodge Brothers have ever produced—

Graceful and stylish new body lines. Rich and attractive new colors.

Absolute smoothness of engine operation—with new snap, power and silence.

Perfected steel body construction, affording among other things, complete vision from every angle, greater safety, greater beauty and longer car life.

DODGE BROTHERS MOTOR CARS

915,000 Boxes of ORANGES shipped from Orange County in 1925

The reputation of Florida came first from its oranges, conceded the most luscious grown in the land. For years and years the "solid central section" in which Mount Plymouth is located, has contributed a large percentage of the citrus fruits shipped to the markets of the world.

It is not surprising, in the least, that Florida Flavor should lure men from across the continent. Ponce de Leon journeyed through these lands, expecting momentarily, so 'tis said, to find the fountain of youth. The soil which produces fruits of the flavor and blossoms of the fragrance which grow abundantly, even wild, in the highlands of Florida surely must contain also the sinews of youth.

The recent development of Florida lands is not surprising—only belated, delayed beyond the usual time for the recognition that was due.

True, there were many contributory causes, but the one outstanding reason was lack of publicity. Its resources until now were unknown.

You who ask yourself the question, "how long can the bubble last?"—are unmindful of what Florida has to offer the investor. Apparently you look upon the present activity much as you would the cry of "oil" or "gold," not taking into consideration that there is treasure enough underground, in the soil and above the surface of Florida to support every human being in America, if developed.

Don't ever put the question that way again. If your own enthusiasm seeks counsel among others, ask what section of Florida they think will most likely develop sooner.

The "solid central section" of Florida comprises seven adjoining counties in the highland, citrus-growing, lake-dotted region,—right in the midst of which Mount Plymouth sparkles like a jewel.

INVESTORS seeking the garden spot in this land of opportunity, will find Mount Plymouth the goal of their ambition. For right here under foot, the soil, tempered by the warm sun overhead, brings forth untold treasures.

Mount Plymouth townsite development is rapidly underway. Business and residence lots are being offered now at prices which predetermine future enhancement beyond any reasonable guess.

Let us take you from the Orlando office, in a luxurious Pullman bus, over a marvelous highway, to see with your own eyes what less fortunate ones shall miss.

Or write for literature which tells more about the property, and the men behind it,—than we have space for here.

Cloud, Florida, under the Act of Congress
of March 3, 1920.Advertising bills are payable on the
first of each month. Parties not known
to us will be required to pay in advance.The Tribune is published every Thurs-
day and mailed to any part of the United
States, postage free, for \$2.00 a year.
\$1.25 for six months, or 75c for three
months, strictly in advance.In sending in your subscription, always
state whether renewal or new subscriber.
In changing your address be sure to
state former address.Foreign Advertising Representatives
THE AMERICAN PRESS ASSOCIATIONSo live that you need never ask
the editor to leave out the story.

Everyone who tries to get some-
thing for nothing; everyone who
thinks more about increasing the
price of his goods or services than
he thinks about improving their
quality or quantity; everyone who,
the moment things are going well,
let's down the fundamental principles
of righteousness, industry and thrift
and who loses his spiritual ideals in
the scramble for material things—all
of these people have a hand in caus-
ing financial depressions. When
business goes into depression and the
country is in the midst of hard times,
then the additions to church member-
ships increase. Apparently people
then turn to the sound fundamental
principles for which all churches
stand—Roger Babson.

claims and demands which you or
either of you, may have against the
estate of Frank M. Blake, deceased,
late of Osceola County, Florida, to
the County Judge of Osceola County,
Florida, of said estate, within one
year from the date hereof.

Dated January 25, A. D. 1926.

H. A. CORLE, Administrator.

Jan. 28—March 18.

In Circuit Court, State of Florida
Seventeenth Judicial Circuit Osceola
County

IN CHANCERY

Eva Bender, Complainant,

vs.

Louis L. Bender, Defendant.

It appearing by affidavit appended
to the bill filed in the above-stated
cause that Louis L. Bender, the de-
fendant therein named is a nonresi-
dent of the State of Florida, and is a
resident of 500 7th street, Buffalo,
New York, that he is over the age
twenty-one years; it is there-
fore ordered that the said nonresi-
dent defendant be and he is her-
ed to answer to the bill
filed in said cause on
day, the 1st day of March,
otherwise the bill
will be taken as
defendant.

It is so

J. W. OLIVER,

Judge of the above Court.

Jan. 28—Feb. 25—H. W. Z.

The most stubborn cough is relieved

with the first dose, and is very often

broken up entirely in 24 hours by a

new method based on the famous Dr.

King's New Discovery for Coughs.

Here is the method: You simply take

one teaspoonful and hold it in your

throat for 15 or 20 seconds before swal-

lowing it. The prescription has a double

action. It not only soothes and heals

irritation, but also loosens

and removes the phlegm and congestion

which are the direct cause of the cough-

ing. So with the cause removed, the

cough usually disappears quickly.

Dr. King's New Discovery is for

coughs, chest colds, bronchitis, spas-

modic croup, etc. Fine for children, too—

no harmful drugs. Very economical,

as the dose is only one teaspoonful. At

all good druggists. Ask for

NOTICE

TO THE CITIZENS OF ST. CLOUD:

Information has come to the Board of Governors of the East Lake Club to the effect that many in the congregation of the Methodist church Sunday night, January 24th 1926, interpreted from remarks made in the sermon that night that musicians playing for dances held at East Lake Club had been paid for their services at such dances from funds belonging to the Chamber of Commerce.

This impression is absolutely false, not one dollar of Chamber of Commerce money has ever been so expended. On the contrary the East Lake Club has been instrumental in helping keep the band together as an organization by reason of the fact that the Club has been able to furnish some of the band members with additional work and for such services these band members have been paid by the East Lake Club.

By order of the Board of Governors of the East Lake Club this 25th day of January 1926,

C. W. LANDISS, Secretary.

STOP THAT BACKACHE

Many St. Cloud Folks Have Found The Way.

Is a dull, nerve racking backache wearing you out? Do you feel older and slower than you should? Are you tired, weak and nervous? And it impossible to be happy, or enjoy the good times around you? Then there's something wrong and likely it's your kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's. Read what this St. Cloud resident says:

Paaschal Strode, retired farmer, Massachusetts Ave., says: "When I went to lie down, my back ached like toothache. I was out of sorts and in misery. I had to get up during the night to pass the kidneys secretions. At times everything seemed to be going around in circles. Doan's Pills from Edwards' Drug Store drove the pains from my back and my kidneys became normal."

60c at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

In the Circuit Court for the Seventeenth Judicial Circuit of the State of Florida in and for Osceola County.

IN CHANCERY

Roy A. Wells, Complainant, versus Sarah F. Russell (formerly Sarah F. Wilson), et al. Defendants. Suit to Quiet Title. Order for Publication. The State of Florida (to: All heirs, devisees, grantees, and other claimants having or claiming any interest in the lands in this suit involved under Sarah F. Russell formerly Sarah F. Wilson) and William Russell, her husband, or either of them (whether same be deceased or alive), or otherwise claiming an interest in said lands. YOU AND EACH OF YOU ARE HEREBY COMMANDED TO appear in the above entitled cause on the first day of March, A. D. 1926. The above entitled suit is a suit to quiet the title of complainant to the following described property located in Osceola County, Florida, to-wit: Beginning at a point 690 feet West of the Southeast corner of the Southeast quarter of the Northwest quarter of Section Fifteen (15), Township Twenty-five (25) South of Range Twenty-nine (29) East, run thence North 900 feet; thence Southeast along the said Southwest-Orlando Brick road; thence Southwest along the said Southwest-Orlando Brick road to the Southwest corner of the Southeast quarter of the Northwest quarter of said Section Fifteen (15); thence run due East to the place of beginning. The said lands being a part of Lots Three (3) and Four (4) of Payne and Payne's Subdivision of the Southeast quarter of the Northwest quarter of Section Fifteen (15), Township Twenty-five (25) South of Range Twenty-nine (29) East.

WITNESS the Honorable Frank A. Smith, as Judge of the above Court, and my name as Clerk thereof, and the seal of said Court at Kissimmee, Florida, on this 31st day of December, A. D. 1925.

(Cl. Ct. Seal) J. L. OVERSTREET,
Clerk Circuit Court, Osceola County, Florida.

Johnston & Garrett,
Kissimmee, Florida.
Counsel for Complainant.

GAIN WEIGHT

If you are underweight use LEONARD'S ELIXIR FOR THE BLOOD. This tonic increases the appetite, builds up the blood, increases the supply of the much needed red cells. It provides nourishment that makes the blood rich and pure and thus enables the blood to impart this new found strength to the body. It also acts gently on the liver and kidneys.

Make yourself robust and healthy. Fill out the hollow spots, erase the lines caused by lack of flesh. Start with LEONARD'S ELIXIR FOR THE BLOOD at once. Insist on LEONARD'S in the yellow package. At all druggists.

If It's Carpet Cleaning or Upholstering

Notice to heirs and all other parties interested of Administrators petition to take possession of real estate to pay debts.

In County Judge's Court, Osceola County, Florida.

In the matter of the Estate of Charles H. Derham, Deceased.

To May E. Kelly and her husband, John Kelly, of Owosso, Michigan, 621 Ball St., Alpena, Michigan and her husband, John Buck, of 715 Church St., Flint, Michigan; Roy Derham, Iron Mountain, Michigan; Alice Dillie and her husband, Bennett Dillie of Corunna, Mich.; Earl B. Derham, of Corunna, Mich.; Earl Derham, of Cor-

unna, Mich.; and William A. Derham, Mich.; Roy Derham, of Iron Mountain, Mich.; and to all other parties interested in the estate of Charles H. Derham, deceased, and in the land herein described.

Notice is hereby given that William A. Derham, administrator of the estate of Charles H. Derham, deceased, has filed in this court his petition asking for authority to take possession of the following land belonging to said estate in Osceola County, Florida, for the purpose of paying debts owing by said estate on the ground that the personal property of said estate is in sufficient to pay said debts:

Lots 19 and 20 Block 185 in the town of St. Cloud, Florida, according to the official plat of said town on file in the office of the clerk of the Circuit Court of Osceola County, Florida and lots 47 and 48 of Section 13 township 26 South, Range 30 E according to the subdivision of said section by the Seminole Land and Investments Co. Incorporated, as shown by its plat of said sections on file in the office of the Clerk of the Circuit Court Osceola County, Fla., and that the date set for the hearing of said petition is Saturday the 6th day of March, A. D. 1926, at the office of the County Judge of Osceola County, Florida, at Kissimmee, in said County at 10 o'clock A. M., at which time you may appear and contest the granting of said petition if you see proper.

Witness my hand, at Kissimmee, Florida this January 19, A. D. 1926.

J. W. OLIVER,
Judge of the County Judge's Court Osceola County, Florida.

The said land being assessed at the date of the issuance of said certificates in the names of Unknown; Unknown; W. H. Eaton and Mrs. J. H. A. McDermott.

Unless said certificates shall be redeemed according to law, tax deed will issue thereon on the 1st day of March, A. D. 1926.

MAN SLEEPS LIKE LOG.

EATS ANYTHING

"After taking Adierka I can eat anything and sleep like a log. I had gas on the stomach and couldn't keep food down nor sleep." (signed) R. C. Miller. ONE spoonful Adierka removes GAS and often brings surprising relief to the stomach. Stops that full, bloated feeling. Often brings out old waste-matter you never thought was in your system. Excellent for chronic constipation.

Adierka is a powerful laxative, but it is so gentle that it can be taken by the most delicate.

Adierka is a powerful laxative, but it is so gentle that it can be taken by the most delicate.

A Special Demonstration of the Westinghouse

AUTOMATIC ELECTRIC RANGE

--- AT ---

Crawford Electric Shop

"The Range with the Clock"

February 8th and February 9th

Through a Special Arrangement with the Manufacturers

You can be a better cook even than Mother by using the Westinghouse Automatic Electric Range—the range with the clock.

Think of it! You can prepare a big roast and five vegetables simultaneously—all will be ready for serving at the same time—none will taste of the others, even if one of the vegetables is onions!

That's only one of the marvelous things you'll learn at these demonstrations. All without obligation. Be sure to come while the Expert Home Economics Instructor is here.
